

## Calculus Book/Software Guidelines for Calculus courses for semesters Summer 2021, Fall 2021 and beyond.

Calculus instructors have an option of using Achieve or Webworks for their Calculus sections. The list of sections and homework systems used will be posted on the department website (url: <https://www.math.csi.cuny.edu/Courses/CalculusSoftwareOptions.html>). Here are guidelines for students.

1. **Instructors using Achieve:** Students are required to buy Achieve which comes with a homework system and an online book. Here are the available options to buy Achieve:

**Achieve (1-term):** \$ 69.99 (Bookstore ISBN: 9781319411657)

**Achieve (4-term):** \$ 99.99 (Bookstore ISBN: 9781319438333)

**Loose-leaf + Achieve (1-term):** \$ 110.99 (Bookstore ISBN: 9781319411671)

**Loose-leaf + Achieve (4-term):** \$ 130.99 (Bookstore ISBN: 9781319438357)

### Student Options:

- (a) Students taking only one semester of Calculus are suggested to buy the 1-term access to Achieve.
- (b) Students planning on taking more than one semester of Calculus are suggested to buy the 4-term access to Achieve, irrespective of whether students will enroll in Achieve sections or Webwork section in subsequent semesters.

### Note:

- (a) Access to the online book expires after Achieve subscription expires. If students want to have a hard copy of the book, students can choose the "Loose-leaf" option above.
- (b) Students planning on taking more than one semester of Calculus and enrolled in an Achieve section can use their online book if they enroll in a Calculus Webwork section in subsequent semesters.
- (c) Students who are taking more than one semester of Calculus, and who have bought a 1-term access to Achieve, will be able to upgrade their Achieve subscriptions to 4-term access by paying the difference (\$ 35). Please contact Alex Markle directly at [alex.markle@macmillan.com](mailto:alex.markle@macmillan.com).

2. **Instructors using Webwork:** Since Webworks is free, students do not need to buy any homework system. However students are required to obtain the text book either through Achieve (as above) or a used book or rent a book.

**Note:** Students planning on taking more than one semester of Calculus and enrolled in a Webwork section may be required to buy Achieve if they enroll in a Calculus Achieve section in subsequent semesters.

## Calculus Sections - Summer 2021

SUMMER 2021			
Course	Number	Section	HW System
Calculus I	MTH 231	1291	Webwork
Calculus I	MTH 231	1378	Achieve
Calculus II	MTH 232	1329	Webwork
Calculus II	MTH 232	1338	Webwork
Calculus III	MTH 233	1292	TBA
Calculus III	MTH 233	1293	Webwork

## Calculus Sections - Fall 2021

FALL 2021			
Course	Number	Section	HW System
Calc I with Precalc	MTH 230	35912	Achieve
Calc I with Precalc	MTH 230	35913	Webwork
Calculus I	MTH 231	35914	Webwork
Calculus I	MTH 231	35915	Webwork
Calculus I	MTH 231	35983	Webwork
Calculus I	MTH 231	35917	Webwork
Calculus I	MTH 231	35918	Webwork
Calculus I	MTH 231	35969	Achieve
Calculus I	MTH 231	36016	Webwork
Calculus I	MTH 231	49116	Webwork
Calculus I	MTH 231	35919	Achieve
Calculus I	MTH 231	35966	Achieve
Calculus I	MTH 231	35911	Webwork
Calculus I	MTH 231	35910	Webwork
Calculus II	MTH 232	35920	Achieve
Calculus II	MTH 232	35921	Achieve
Calculus II	MTH 232	35922	Achieve
Calculus II	MTH 232	35975	Webwork
Calculus II	MTH 232	35924	Webwork
Calculus III	MTH 233	35925	Webwork
Calculus III	MTH 233	35965	Webwork
Calculus III	MTH 233	35984	Webwork
Calculus III	MTH 233	35926	Webwork
