## B.S. in Mathematics/Adolescence Education Degree Requirements ( $\mathbf{1 2 0}$ credits)

 (Revised November 2022)For Students matriculating on or after Fall 2013 TEHA students please consult a TEHA advisor for any additional requirements

## General Education Requirements (42 credits)

## Credits

Required Common Core 12
Flexible Common Core 18
College Options 12
See Attachment for Recommended and suggested courses in this category.

Pre-Major Requirements ( $\mathbf{2 2 - 2 5}$ credits) ${ }^{1}$
MTH 229 Calculus Computer Laboratory 1

MTH 231 Analytic Geometry and Calculus I 3
MTH 232 Analytic Geometry and Calculus II 3
MTH 233 Analytic Geometry and Calculus III 3
Total: 10 credits
OR

| MTH 229 | Calculus Computer Laboratory | 1 |
| :--- | :--- | :---: |
| MTH 230 | Calculus I with Pre-Calculus | 6 |
| MTH 232 | Analytic Geometry and Calculus II | 3 |
| MTH 233 | Analytic Geometry and Calculus III | 3 |
|  |  | Total: 13 credits |

AND

| *MTH 214 | Applied Statistics using Computers | 4 |
| :--- | :--- | :---: |
| OR | 4 |  |
| *CSC 126 | Introduction to Computer Science | 4 |
| $*$ | Total: 4 credits |  |
| It is recommended that students include both these courses in their curriculum; one of |  |  |
| these courses can be taken as an elective. |  |  |

## AND

Two courses with laboratories chosen from one of the following sequences:

BIO 170-171, 180-181
CHM 141-121,142-127
PHY 120-121, 160-161
GEO 115-116, 102-103
GEO 115-116, ESC 110-111
AST 120-160

General Biology I and II with laboratories
General Chemistry I and II with laboratories
General Physics I and II with laboratories
Physical and Historical Geology with laboratories
Physical Geology, Meteorology and Climatology with labs Space Science I and II with laboratories Total: 8 credits

[^0]
## B.S. in Mathematics/Adolescence Education Degree Requirements ( 120 credits)

For Students matriculating on or after Fall 2013
TEHA students please consult a TEHA advisor for any additional requirements

Major Requirements ( $\mathbf{3 6}$ credits)

| MTH 301 | Introduction to Proof <br> MTH 311 <br> Probability Theory and an Introduction to <br> Mathematical Statistics | 4 |
| :--- | :--- | :---: |
| MTH 330 | Applied Mathematical Analysis I <br> ORH 334 | Differential Equations |
| MTH 338 | Linear Algebra | 4 |
| MTH 339 | Abstract Algebra | 4 |
| MTH 341 | Advanced Calculus I | 4 |
| MTH 306 | History of Mathematics | 4 |
| MTH 329 | Geometry | 4 |
| MTH 337 | Applied Combinatorics \& Graph Theory | 4 |

## Credits

4 4444

MTH 339 Abstract Algebra 4
MTH 341 Advanced Calculus I 4
MTH 306 History of Mathematics 4
MTH 329 Geometry 4
MTH 337 Applied Combinatorics \& Graph Theory 4

Students must complete the Adolescence Education (EDS) course sequence ( 24 credits) within the electives. In order to register for the EDS sequence one must have a GPA of 3.0. In order to graduate in four years, students must begin the EDS sequence by the first semester of the junior year. This overall GPA 3.0 must be maintained till graduation. Also a grade of at least $\mathrm{C}+$ is required for all courses in the EDS sequence.
(The GPA has been increased to 3.0 (from 2.75) for all students who will be matriculating into the program as of Fall 2015)
In order to complete the requirements within 4 years, the EDS sequence must be started by the fall semester of the junior year.

## EDS Sequence ( 24 credits)

EDS 201 Social Foundations of Secondary Education 4 credits
EDS 202 Psychological Foundations of Secondary Education 4 credits
EDS 317 Secondary School Curriculum in Mathematics 4 credits
EDS 303 Secondary School Pedagogy in Mathematics 4 credits
EDS 400 Student Teaching in Secondary Education 6 credits
EDS 401 Reflection and Analysis in Student Teaching in Secondary Education 2 credits Total: 24 credits

## EDP 220 (3 credits)

Special Education Needs for people with disabilities

# B.S. in Mathematics/Adolescence Education <br> Degree Requirements ( 120 credits) <br> (Revised November 2022) 

For Students matriculating on or after Fall 2013
TEHA students please consult a TEHA advisor for any additional requirements This course is required for certification.

## Electives (0-7 credits) : See the $\mathbf{8}$ semester schedule

## Total (120 credits)

It is highly recommended that students majoring in Mathematics with an Adolescence Education concentration are proficient in a language at 114 level

To graduate with Honors in the major, students must have an overall GPA of at least a 3.5 in courses under major requirements and must complete an Honors thesis or project.

Note: 1. GPA Requirement - In order to graduate with a B.S,in Mathematics/ Adolescence Education, you will need an overall GPA of 3.0 as well as a GPA of 2.0 in the courses under major requirement category and a GPA of 3.0 in the Education courses. . Also a grade of at least $\mathrm{C}+$ is required for all courses in the EDS sequence.

This new reqiurement of a GPA of 3.0 ( raised from 2.75) is for all students who matriculate into the program as of Fall 2015.)
2. Residency Requirement - To obtain a B.S. degree from CSI, students must earn at least 30 credits at CSI and must also earn at least half ( $50 \%$ ) of the credits in the major requirement category at CSI. For details refer to catalog
3. Liberal Arts and Sciences Requirement - For a B.S. degree NY state requires that one half of credits must be in Liberal Arts and Sciences. For details refer to the catalog .

[^0]:    1 Courses used to fulfill premajor requirement can be used to fulfill gen-ed requirement.
